

Parents - Register for FORMED

Dear Parents:

This year, our school is using an online resource to supplement our Religion program. This resource has many enlightening programs on many topics of our Catholic faith.

There are programs for adults, young adults and children. Included are programs on Each Sunday's Liturgy, Faith Formation, Sacraments, Bible Studies and Current Topics.

Our faculty will be using some of the material with our students, your children.

For parents, there are many programs that will assist you in answering your children's questions on topics that are being studied in class.
